## NEWS ITEMS

The Royal Ontario Museum Act of 1947 brings the Museum into direct relationship with the University's Board of Governors. Dr. Sidney E. Smith announced that Robert Fennell, K.C., Chairman of the Museum Board has been appointed a member

of the University's Board of Governors. The appointment of the other eleven members has been made by the Board of Governors. Dr. Smith, the Rt. Hon. Vincent Massey, and Lieut.-Col. W. E. Phillips are members ex-officio. The others are Henry Borden, Dr. Edward Johnson, Beverley Matthews, the Hon. and Rev. H. J. Cody, Dr. Sigmund Samuels, Mrs. H. D. Warren, Prof. M. B. Baker, representing Queen's University and Dean F. Landon representing the University of Western Ontario.

Prof. Harold A. Innis has been highly honoured by Oxford University in being chosen to deliver the Beit Lectures this year. This Lectureship was established to provide the first comprehensive and authoritative study of the economic history of the Empire, and once every four years an outstanding economist delivers six public lectures on the subject. Prof. Innis also will deliver the Cust Foundation Lecture at the University of Nottingham while in England.

It is announced from London that fellowships in the Royal College of Obstetricians and Gynaecologists of England have been awarded to Dr. Donald M. Low, Dr. J. R. McArthur, and Dr. W. A. Dafoe, all members of the staff of the University.

A poem, "Part of Time," by Prof. R. D. C. Finch, was published in the December 3rd issue of *Punch*. (P. 533.)

Prof. E. A. Allcut has been elected Chairman of the Canadian Advisory Committee of the Institution of Mechanical Engineers (England). He has been Honorary Secretary of the Canadian Advisory Committee for several years past.

Dr. R. F. Cain was recently elected Vice-President of the Sullivant Moss Society. The following are contributions of the staff of the Department of Botany:

H. S. Jackson, "Trichomonascus, a new genus among simple Ascomycetes." *Mycologia*, Vol. 39: 709-715. 1947.

L. C. Coleman, "Chromosome abnormalities in an individual of *Chorthippus longicornis* (Acrididae)." *Genetics*, Vol. 32: 435-447. 1947.

H. M. Good, "Studies on the Cladosporium blight of Sweet Pea." *Canadian Journal Research*, Vol. C 25: 137-154. 1947.

D. H. Hamly, and C. Sheard, "Factors in Fluorescence Microscopy." *Journal Optical Society America*, Vol. 37: 316-320. 1947.

D. H. Hamly, G. J. Hummer, and C. Sheard, "Fluorescence of Red Blood Cells." *Science*, Vol. 106: 170. 1947.

Dr. K. F. Helleiner will give two graduate courses in the forthcoming summer session at Columbia University.

The name of the Department of Italian and Spanish has been changed to the Department of Italian, Spanish and Portuguese.

Prof. John S. Morgan will address the Annual Conference of Supervisors for Family Allowances of the Department of National Health and Welfare in Ottawa on March 23rd.

Dr. Stuart K. Jaffary lectured in Ottawa on February 22nd in the newly organized Training Course for Dominion Penitentiary men.

Dr. W. G. McIntosh will speak to the Guelph Dental Society on March 17th.

Prof. W. G. Barnstead spoke in Montreal to the McGill University Library School and to the Montreal Chapter of the Special Libraries Association.

Dr. H. M. Cassidy served as technical adviser on social security to the Federal Department of National Health and Welfare during the autumn months.

Dr. J. G. Breckenridge and Dr. S. A. G. Singer are the authors of a recent paper on "The preparation of 1, 10 - Phenanthroline," appearing in *The Canadian Journal of Research*.

Dr. P. G. Anderson will speak before the Kingston and District Dental Society on March 17th.

Dr. L. M. Pidgeon delivered a lecture on "The Production of Reactive Metals" before the Science Association of the National Research Council, Ottawa, on January 5th.

Recent publications by the staff in Applied Science include the following: L. M. Pidgeon and J. T. N. Atkinson, "Determination of Calcium Vapour Pressure in the Thermal Production of Calcium Metal." *Canadian Mining and Metallurgical Bulletin*.

G. Sinclair, E. C. Jordan and E. W. Vaughan, "Measurement of Aircraft—Antenna Patterns Using Models." *Proceedings of the Institute of Radio Engineers*.

Professor F. C. Auld of the Faculty of Law has been invited to give a series of lectures on Comparative Law in the Faculty of Law, Laval University, Quebec. He will be absent for the first fortnight in April.

Professor Griffith Taylor has been awarded the Johnston Medal by the Royal Society of Tasmania for anthropological research.
